as little as \$1.45 per week after small down payment

Available in famous G-E Mix-or-Match colors!

JC To Host Annual Rabbit Show Sunday

More rabbits than can be seen in a Sunday of Easters will be on hand when the sixth annual Torrance area rabbit show gets underway at the El Camino College gymnasium Sunday at 9 a.m.

"Last year over 600 rabbits were entered in the show, and more are expected this year," Mrs. Nena White, secretary of the Torrance Area Rabbit club, stated.

New Zealand red and whites, Californians, Satins, Dutch, and Rex are some of the many breeds which will be displayed in their respective classes—junior, intermediate, and senior. In a class of their own are the little bunnies.

Cash awards and trophies will be awarded for the prize winning "hippy-hops" which will include all the breeds and classes shown, according to James L. Duray, superintendent of the show.

The show is sanctioned by the American Rabbit Breeders' association.

Four Noted Lecturers to Debate at JC

Presentation of the "World Affairs Council," a miniature UN Security council, will be made by the Associated Students of El Camino college in the Campus theater, Friday, November 15. Tickets for the lecture are available to the public and may be purchased at the campus student store.

This unique lecture program is not a panel discussion nor symposium, but a parade of four distinguished speakers, each representing one part of the world in a four-way debate on the great issues of the day.

The featured speakers are the Hon. Camille Chautemps, former vice-president and four-times Premier of France; John C. Metcalfe, American Syndicate editor, who also serves as chairman of the council; Arthur Webb, "Dean" of British correspondents in Washington, and Dr. Amolak Ram Mehta, distinguished Indian diplomat.

The four speakers have a record of several thousand professional lectures in the United States and abroad. They will take distinctly different points of view, highlighting controversy followed by question and answer period.

Metropolitan Conference Finals Sat.

The curtain rolls down on the 1956 Metropolitan conference football race Saturday night as the eight Metro squads pit their strength against each other with only two having a chance for first place honors.

As a result of last week's action, El Camino, Bakersfield JC and Long Beach City college boast four wins against two losses for a three-way tie, but the Renegades or the Vikings will be eliminated from the top spot as they clash against each other in their last tussle.

Coach Norm Verry's Warriors will have to get by a tough Santa Monica City college crew to share Metro honors or else have a possibility of ending in the third or fourth slot depending on the results of the other conference games.

The Warriors will meet the Bucs at Corsair field. Kick-off time will be at 8 p.m.

After holding a halftime lead of 12-6 over Valley JC Saturday night in the Warrior's stadium, the Caminomen fell apart at the seams in the second half and lost a 25-18 thriller to the Monarchs.

Local Area Moves Into Third Place

This assembly district, Tuesday, Nov. 6, with the re-election of Vincent Thomas, (D-San Pedro), and the defeat of Thomas Maloney, (R-San Francisco), became the third most important of the 80 in the state, according to Thomas' campaign headquarters.

Maloney, dean of the legislature, will end his legislative career this year after 32 years continuous service, and as the result, the 20th district will drop in classification from first to last while the 68th district will move up from fourth to third due to Thomas' re-election. The latter next January will begin his ninth two-year term. Thomas first was elected in 1940 and took office in 1941.

In winning re-election this year Assemblyman Thomas rolled up his largest vote, approximately 54,000. He defeated his Republican opponent by 35,000, according to unofficial tabulations.
